

On 11th November, 2022, the Cell arranged a one day seminar which was conducted by TCS under the aegis of the department of Economics to provide employment opportunities to the students. It was under their Youth Employment Program. Thirty seven students attended the training program. The seminar highlighted the current industry trends and needs, and educated the students on how to enhance employability in the corporate segment, government sector, and MSMEs. This program will be continued in coming days.
